**RE:** Mobile Metro Jail Layout New Development

---

See attached for the Mobile Metro Jail site layout for your reference. The construction for the new development is anticipated to start early 2019 with 19 months for construction completion. A portion of S. Conception Street and St. Emanuel St. are anticipated to be vacated to Mobile County from the City of Mobile and will be fenced within the Mobile Metro Jail complex. The proposed security gate on S. Conception Street will be located just outside of the MRB project row. Per Technical Provisions, S. Conception Street and Palmetto Street must maintain continuous access at all times except with prior agreement from the Mobile County Metro Jail.
